ABOUT ME

I am a passionate and dedicated Bachelor of Computer Applications (BCA) student with a keen interest in software development, web technologies, and problem-solving. My academic journey has provided me with a strong foundation in programming languages like Python, Java, C++, and JavaScript, along with hands-on experience in database management, web development, and software engineering principles. I enjoy working on real-world projects that challenge my skills and help me grow as a developer. Apart from coding, I am a quick learner, a team player, and always eager to explore latest trends in technology

EDUCATION

2023- 2026

Madras of University

College=Sri Muthukumaran Arts , Science
College

Degree=Bachelor of computer application

EXPERIENCE

fresher

SKILLS

- Python
- Java
- Javascript
- C++
